RE: HB Training and Consulting
2020 Lawrenceville-Suwanee Road
Suite 201
Suwanee, GA 30024

To Whom It May Concern:

HBTC has been employed by Humphries and Company at our IDI project since February 2007.

Due to the large size and scope of our IDI project, it was necessary for us to hire a full time safety consultant to be on site daily to oversee and monitor the construction and daily activities of 500 plus construction personnel across many different trades. The IDI project consists of two buildings – building one with 487,000 SF and building two with 200,000 SF.

In addition to providing us with a dedicated safety consultant, HBTC provides very thorough written daily site inspection reports, safety training as needed and daily safety orientation for all new site employees.

HBTC's full service staff is quick to respond to any special requests or assignments that our Client may need.

We highly recommend HBTC. We are very pleased with the service they provide to us.

Please feel free to contact me with any specific questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Marybeth Stephens', written over a horizontal line.
