Dear Friends:

I just wanted to let you know how much we appreciate your donating your services of CPR and First Aid Training to the Masonic Home.

Also, I would appreciate it if you would extend our many thanks to Doug Easter for traveling to the Masonic Home and teaching the above mentioned class. Our staff felt that this class was presented in and very professional and comfortable manner.

Thanks again for your kindness and support of the Masonic Home of Georgia and the children in our care. If we could ever assist you in any way just give us a call.

Sincerely,

John Snipes  
Superintendent
